As we say “Good Bye” to the year 2020, a year which we will probably never forget; let us look forward with anticipation to a new year. My prayers for 2021 are for us to feel the peace of God as we move forward, an end to the Covid pandemic, and freedom to gather together once again with family and friends in worship. I have learned a lot about depending on God in 2020 and for that I am truly blessed. God has showed up in ways we have never seen before. I hope as we exit 2020, you will take some time and look back over this year and ask yourself, “What has God taught me about my faith in 2020?” As we discover our vision to move forward in 2021 to continue to be the light of the world; may we stand strong in our faith and ask our Creator God to show us new and exciting ways to share the Good News of Jesus Christ to those who are lost. Happy New Year Everyone!

In His grip,
 Pastor Linda
